# 18<sup>th</sup> Annual Tri-State Golden Rule Karate Championship Advertising Sponsorship

At Golden Rule Karate & Fitness we are getting ready to host our 18<sup>th</sup> annual Karate tournament on July 10<sup>th</sup>, 2022. We are accepting advertising sponsorships for this event.

For 17 years the event has filled the gym at Warren Hills Regional High School, and most recently Meadow Breeze Park in Washington Township. After not hosting in 2020 because of Covid in 2021 we migrated to the pavilion at Meadow Breeze Park in Washington Township. From age 4 to people over 70 years of age along with the competitors were spectators totaling over 1,100 people. Many of the competitors come from Central and Northern New Jersey area, but some competitors come from as far away as the state of Pennsylvania, New York and Maryland. This event also gives back to the community by allowing Warren Hills Regional High School's Project Graduation, and the Boy Scouts depending on location to handle all the food concessions and keep all the profits of the sales to benefit their groups.

We have 6 different levels of advertising sponsorship available for our event. They are included in this packet. Each option has exclusive items that make that option stand out. They are packaged in a way that allows us to discount the package over the original line-item rate in order to give you more value for your money. In becoming an advertising sponsor of this event, you would join other professional companies like Seabright Solar, Brandt Box, Rossi Auto Group, Unicorn, Verizon Wireless and others that have proudly sponsored this event in the past.

I am available at your convenience to discuss this further and answer any questions you may have concerning our event or the advertising sponsorship. This is a professionally run event that you will be proud to be associated with. Thank you very much for your time and consideration.

Sincerely,

Paul Kilduff
